the following statements made by him before the Govt officers.

On 31-8-1908, he promised to finish a building in the summer season.

On 6-11-09, he has written in his own writing that he would repair the building in 4 or 5 months.

On 2.4.10 he said he would finish the building in the summer season after obtaining the stones he had applied for.

On 24.8.11 he deposed before the Taluk Shirastedar that he would begin the work as soon as he was given permission & remove the stones he had applied for and would finish the work within six months. [The stones applied for were given to his charge on 17.9.11]

The inam lands under consideration are those endowed to the Viraktha matt and also the Basavannadevaru temple in it

As regards the Viraktha matt lands, it is noted that Subbanna Upadhya has since 1911-12 been paying full assessment thereon as directed by the Dy Comr in his order No. 1251/d: 17.1.12.

Regarding Basavannadevaru temple inam lands, Subbanna Upadhya has executed an agreement (registered) on 23.8.11 that he would utilize the annual sale

16 The Devadaya Inam lands of 2 institutions are involved in this case. One is of Virkkha Mutt and the other of Basavanna-devara temple in the same mutt. As regards the former the Deputy Commr has recommended its resumption by Govt on the ground that the Mutt is not in existence and that there is no likelihood of its revival.

As regards the latter the Valuvaldar Subbanna Upadhya who is enjoying the land, is simply promising to construct the pukka temple since 1908 but has not done so. It is reported that only a wall of 3 ft high has

2. One of the Vaivatdars of the Matt sold the above land to one K.Subramanya and Hiryannappa for Rs.100/-; and they were subsequently sold by the Civil Court auction for certain debts due by the above persons and were purchased by one Ranganna Upadhya of Hariharpur during the year 1899-1900. This man is dead and his son Subbanna Upadhya is now in possession and enjoyment of the land.

3. The Matt is said to be not in existence now and there does not appear to be any likelihood of its revival. There does not, therefore, appear to be any need to continue the inam assigned for its support. I, therefore, beg to recommend that the land in question may be written off the head of Inam and subjected to full assessment.

Sir,

Adverting to your letter No 3504. eMisc. 387-11-6 dated 20th June 1914. calling for further information regarding the enforcement of the penalty prescribed in the Geni Karar executed by Subbanna Upadhya on 23rd August 1914 &c, I have the honor to State that the Amildar of the Koppa Taluk, on inspection of the Temple of Basavanna Devaru installed in the Virakthi

Viraktha Mutt at Bandigady in the Koppa Taluk, has reported that it had not been properly repaired that the platform is Constructed with rough Stone and mud, but the temple itself has mud walls and thatched roof and that in its present Condition, the temple will not stand one or two monsoons. In explanation, the lessee of the Inam land, Subbanna Upadhya States - that he is not able to spend more money on the temple repairs as he had already invested more than Rs 100/- towards the repairs of the building as well as the improvement of the Inam land belonging to the Institution and he is ready to give up the said land to Govern-ment.

At present the Inam land

land has been leased out for 15 Candies of paddy which is valued at Rs 20/- and after paying to Government the local and irrigation Cesses due thereon and the pay of the Pujari (16-0-0) there remains only Rs 2-15-0 which is hardly Sufficient to make the temple a packa ~ building. It is ascertained that this land cannot fetch more revenue than now even if it were put up to public auction.

Under these circumstances I beg to recommend that the land in question may be resumed to Government and the lease ~ Cancelled.

The vernacular Correspondence ending with Kadur Sub-Division Assistant Commissioner's yadi

Sir,

Adverting to your docket No.1287/Muz.387-11-4 dated 29th November 1915, I have the honor to report as follows on the several points referred to in the above:-

As regards para 1 of the above, I beg to state that the Inam land endowed to the Basavanna Temple standing on Survey No.181/2 is assessedat Rs.8-8-0 and if the same is left in the possession of the cultivator and assessment thereon levied to meet the pay of the Poojari, it is stated that Puja will not be performed for so small a pittance.

2. At present the full assessment of Rs.8-8-0 of Survey No.181/2 endowed to the Virakta Matt is being recovered from Subbanna Upadya, the anubhavadar who, in his return, has leased it out to another individual for 16 candies of paddy valued at Rs.32/- per annum; after advancing to the lessee a sum of Rs.40/- for the purchase of bullocks and 8 candies of paddy for his livelihood.

3. If these lands are given over for the maintenance of any other institution as proposed, nobody is willing to come forward to perform the usual puja to the deity and further, the income from the lands referred to is not sufficient for the maintenance of any other Institution.

4. The vernacular correspondence ending with Kadur Sub-Divisional Assistant Commissioner's yadi No.1009 dated 18th --- February 1916 is herewith resubmitted.
